Experts discuss latest tech use in healthcare

Lucknow: To discuss advancements in healthcare technology and their potential impact on healthcare delivery, Samarpan Institute of Nursing & Paramedical Sciences (SINPS) hosted 'Global Summit: 5th International Conference on Advancing Nursing Through Innovation, Research, and Digital Health', bringing together national and international experts.

Speakers included Cathy Deane and Thomas from Australia, who spoke on digital health innovations, and Rania from Greece, who highlighted the role of nursing informatics. Hari Shankar from Era Medical College explained the use of AI in healthcare. Rajesh Kunnur, Pro VC Eudoxia India, focused on research methodologies. TNN
